Looking for a fun and colourful night out? LadyBoy is it. Bringing a bit of playfulness and frivolity to Bridge Road, this modern Thai restaurant is the place to be for a fun night out and a delicious feed.

Start at the LadyBoy Bar, located out the back to get the night started. The menu features a bunch of creative cocktails like the phuket bucket, LadyBoy Einstien and there's a great basic cocktail section too.

Adorned with colourful paper lanterns and parasols on the roof this is a fun fantasy land which sets the tone for a good night ahead. Inside the main dining room, the playfulness continues with colour, graffiti wall art and neon signs scattered throughout - all designed around the eclectic atmosphere of the bustling streets of Bangkok.

The food is fun and creative like the decor, inspired by south-east asian cuisine. There's small, mid-sized and large dishes, with sides and desserts available too - all gluten free friendly, aside from the roti...damn! It's not hard to see why Melbourne's foodie crowd has a little crush on this place. It adds a bit of excitement and flare to the dining scene. Come and have some fun at LadyBoy.

We're located at 394 Bridge Rd, Richmond VIC 3121
